

AutoFlush® Sidemount

Replace an existing fixture with an automatic flushing system.

Install an automatic flush system in minutes without shutting off water.

- 1 REPLACEMENT SOLUTION:**
Remove and replace current flush handle to automate existing system
- 2 SMART DESIGN:**
Combines an angled-lens design with advanced sensor technology that activates even when the toilet seat is raised
- 3 DRY CAM-GEAR TECHNOLOGY:**
Patented technology controls the water flow, ensures worry-free operation, and eliminates solenoid valves to prevent costly repairs
- 4 LONG BATTERY LIFE:**
Lasts more than three years or up to 100,000 flushes
- Four C batteries included
